OUR COMMITMENT At ClaroLux[®], our goal is to set the standard in the landscape lighting industry. We are happy to be the exception, not the rule. Every day we challenge ourselves to create new and innovative products that can help revolutionize the low voltage lighting industry. We pride ourselves on being innovative, passionate, and dedicated to setting the standard. What you will find when you purchase from ClaroLux Landscape Lighting[®] is that the norm is never good enough. We believe in our mission, we believe in ourselves, and we believe in our products. This is why our products come with a structural lifetime warranty.

GUTTER MOUNT Manufactured from US aircraft grade aluminum. The GM100 mounting bracket was designed with the installer in mind. With multiple mounting slots the bracket can easily be attached to any size soffit. The mounting bracket also has a wire slot for easy installation.

UNIVERSAL ADJUSTABLE PLATE Manufactured from US aircraft grade aluminum. The plate has a 1/2" NPS thread so the plate will attach to any ClaroLux[®] luminaire. The universal adjustable plate also contains a wire slot in the plate for easy installation.

ELECTRICAL REQUIREMENTS A remote 12V luminaire and transformer required, may be ordered separately from ClaroLux[®]. The GM100 is a luminaire accessory only. Recommended voltage range for 12V halogen lamps is 10.8V - 12V. Recommended voltage range for Brilliance 12V LEDs is 10V - 14V (12V is ideal).

MOUNTING HARDWARE Mounting hardware, screws and anchors are not included.

WIRING SLOT The GM100 gutter mount and universal adjustable plate both come with wiring slots to allow for easy installation. There is no need to feed the wire through the gutter mount or universal mounting plate.

FINISH Available in bronze powder coat finish or brilliant white powder coat finish (Custom colors are available; please call 336-378-6800 for details). Both finishes were created especially for ClaroLux's aluminum line.

WARRANTY ClaroLux's[®] 15 Year Warranty (please see warranty for more details).
